

Jack Francioni School WEEKLY BULLETIN

Nov 10- Nov 14, 2014

"Education is the most powerful weapon which you can use to change the world."

— Nelson Mandela

Kudos to Mrs. Ramirez for scheduling and helping with district assessments. *Kudos* to Ms. Delgado for engaging and working so well with students and staff. *Kudos* to Mr. Ledesma for always having a positive attitude. *Kudos* to all our teachers and staff for their dedication to students!

Technology Night

We had a very successful Parent University on Tuesday. Parents were able to attend breakout sessions where the topic was technology. Director of technology Joe Ayala focused on saving money on technology and monitoring children's technology use in the 21st century. Mr. Quitevis, SUSD Computer Technician II, focused on setting up an email account and Mr. Lucero, 3rd grade teacher did a Skype session with parents. Parents were very pleased and stated they learned a lot from each session.

Parent Teacher Conferences

Parent/Teacher Conference week is November 17th – 21st. Translators will be available from 1:15p.m. to 4:30 p.m. Late night will be Thursday, November 20th. Translators will be available from 1:15p.m. to 7:30p.m. Please turn in your conference schedule to the office by November 12th.

Veteran's Day Holiday

This year Veteran's Day falls on a Tuesday, which is a bit unusual for us. Please remind students we do have school Monday. Look forward to seeing everyone on Monday as the success of our students depends on a complete team of teachers and support staff!

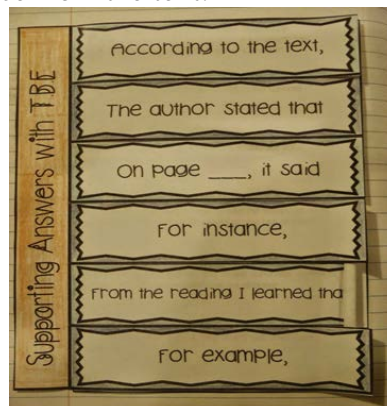

Report Card

Report card window for report card entry begins today. You will have three non-meeting days for report card entry next week. As you complete your marks please remember to include useful comments for parents. If you need comments translated please see one of the girls in the office staff.

Common Core

Look at this idea for an ELA, text based evidence notebook. Students use the prompts and text to generate answers that include evidence from the text.
