

Jack Francioni School WEEKLY BULLETIN

March 2-March 6, 2015

If you don't like something, change it. If you can't change it, change your attitude.

-Maya Angelou

KUDOS to all the staff for a delicious potluck. **KUDOS** to Veronica V. for helping us take care of the plants in the office. **KUDOS** to Elvia for running the student of the month assemblies. **KUDOS** to Abbie and Mr. Macias for their efficiency in running the after school program.

Parent Teacher Conferences

Parent-Teacher Conferences are fast approaching and will be the week of March 16-20. Thursday, March 19th is the designated "late night." Please schedule conferences for each of your students. If you need someone to help with translating, please let Mariela know as soon as possible so that she can make sure that you have the support you need when you need it.

Book Fair

Calling all bibliophiles: The Book Fair is Coming! The Book Fair is Coming! During the week of March 16-20 we will be hosting the Book Fair in room 13. This is a perfect time to add to your classroom library or to find suggestions for summer reading for your students. The Book Fair will be open late on Thursday, March 19th, for anyone who cannot make it during the school day.

Computer Lab

Computer Lab will closed for the next two weeks until lunch time due to CPAA and MAP testing. Sorry for the inconvenience.

Shaparoo

Shaparoo Fundraising is a quick and easy way to earn funds for the school. By snapping pictures of our receipts from any store we can earn "Roo Points" which turn into money for our school. It doesn't matter where you shop or what you buy - Shaparoo will make a cash donation for every receipt. You can submit up to 20 grocery receipts within a rolling 7-day period (each person).

Snap pictures of receipts from restaurants (including McDonald's) or other retailers (non-grocery) to earn entries into Shaparoo's \$1,000 monthly sweepstakes and \$15,000 yearly sweepstakes. You can submit up to 50 non-grocery receipts within a rolling 7-day period (each person).

Schools with at least 50 active supporters are earning thousands of dollars for their schools. Let's join them!

Go to www.shaparoo.com follow the prompts, and register. You can start earning Roo points for Jack Francioni today.

Are we meeting our students' needs?

Bill Glasser's model for motivation is based upon what he calls Control Theory. While that sounds odd and not very positive, it actually is; he believes that students have five basic needs that must be met before they are able to be successful and actively participate in their learning. These needs are:

Power Love Freedom Fun Safety

Glasser explains that if each of the needs is met through teacher generated activities in the classroom resulting in a rise of student involvement, which in turn will lead to an increase in student achievement.

Based on our data and goal setting meetings that we held last Tuesday and Wednesday and the walk-throughs, the answer to the question would be a resounding "YES."

Kinder Registration

Jack Francioni will be having kinder registrations March 2nd -March 6th from 9am to 4pm. 

Payroll

Beginning in March, all payroll warrants will be mailed only. Please be sure to verify and update your mailing address. Please contact payroll staff at the District office for additional information or questions
